

Scholarships

Peaks to Plains Suzuki Institute is proud to offer a limited number of scholarships to students in support of tuition costs. Overseas Connection, Inc., Robertson and Sons Violin Shop and individual donors have contributed to make this possible. Scholarships will be awarded primarily on the basis of financial need, musical efforts, reliability, commitment and teacher recommendation. Parents will be required to provide hours of service to PPSI, as determined by the director, to receive the awarded scholarship. Beginning this year, a lack of participation in service hours may affect future awards.

Procedure

1. Fill out the scholarship application form AND student registration form with fee summary.
2. Make a video recording of the student's most polished piece. Post recording on Youtube and write the link on this application. DVDs will no longer be accepted.
3. Provide 2 letters of recommendation; one from your Suzuki teacher with information on applicant's ability, commitment to music and financial need, and one from yourself including a statement explaining your financial reasons for applying for the scholarship.
4. Send all the above AND non-refundable registration fee to:
PPSI 6331 Glenmoor Rd, Boulder, CO 80303
5. Must be postmarked on or before April 10, 2018.
