

## PPSI 2022 Scholarship Application

### SCHOLARSHIPS

Peaks to Plains Suzuki Institute is proud to offer a limited number of scholarships to students in support of tuition costs. Robertson and Sons Violin Shop, Overseas Connection, and individual donors have contributed to make this possible. Scholarships will be awarded primarily on the basis of financial need, but musical efforts, reliability, commitment, and teacher recommendation will also be considered. Recipients MUST be available to serve volunteer hours, as determined by the director, to receive the awarded scholarship. A lack of participation in service hours may affect future awards.

2. Fill out the online applicable student registration form and include non refundable registration fee only.
3. Make a video recording of the student's most polished piece with or without accompaniment. Post recording on Youtube and write the link on this application. DVDs will no longer be accepted.
